## From the East

Brethren,

I am pleased to announce that at Grand Lodge, held recently in Saint John, a vote was taken and Cornerstone Lodge was granted it's charter. We are now waiting on communication from the Grand Master to make it official.

Our next meeting we will be having a little celebration to mark the occasion however the actual presentation of the charter and the dedication of the lodge and installation of the officers will take place sometime later in the summer. Other than that, it will be a regular

meeting with some good conversation, discussion and refreshments.

This is a great moment in Masonic history in our area and I am extremely proud of all of the members and visitors who are supporting us and our lodge.

Brethren, I look forward to seeing you in lodge for our first meeting as Cornerstone #58.

Fraternally:

Bro. George Bowness WM

### From the West

Greetings my brothers!

Congratulations to all those that worked so diligently over the past year to make a dream a reality, we have obtained a charter! This has truly been an experience that very few get to enjoy and I'm grateful to be apart of it all. I'm excited to see how our celebrations will unfold as this means we get to spend more time perfecting our craft, lodge and enjoying the steps along the way.

With a great meeting planned followed by a wonderful meal, we look forward to seeing all of you at our next meeting!.

Fraternally:

Bro. Tim Holton SW

### From the South

I hope this message finds you all well. As we continue to cherish our gatherings and the joy of shared meals, I am excited to announce the menu for our upcoming meeting. Our next meeting will also be a celebration of Cornerstone Lodge; it is our 1-year anniversary, and it will also be our first meeting

as New Brunswick's newest chartered lodge.

To celebrate, we will be savoring a hearty Porchetta with sautéed onions and peppers, accompanied by creamy mashed potatoes. Dessert will be a cake and ice cream. This delightful meal will be available for \$15.

Please ensure to RSVP at [rsvp@cornerstoneud.org](mailto:rsvp@cornerstoneud.org) and send your payment via e-transfer to [epay@cornerstoneud.org](mailto:epay@cornerstoneud.org). We warmly welcome friends and family to join us; kindly include your name and the names of your guests in the memo field when making the payment. # Shrinking the Lodge

What is Shrink the Lodge?

Shrink the lodge is about brothers helping brothers along their journey from the rough ashlar to the perfect ashlar, through the acquisition of knowledge and perspective. The intent is to share and encourage discussion between brothers on a topic. There are no right or wrong answers – only learning and support, with the overall goal of making our masonic lessons translatable to our everyday lives in the real world.

Brethren! I have thoroughly enjoyed each and every STL session that we've had over the past year. Your insight and sharing as a group has been truly inspiring and makes me proud to be called your brother!

As we continue our journey of self-improvement and fraternity, our next Shrink the Lodge session will delve into the influential figures that have shaped our lives - our Role Models.

Throughout history, role models have served as beacons, guiding us through their actions, values, and principles. They are the individuals we admire, the ones who have left a lasting impact on our hearts and minds. They are the mentors who have shown us the way, the heroes whose stories inspire us to strive for greatness.

In our upcoming session, we will share stories of those who have been the most meaningful to us. We will explore why they have made such a profound impact and how we can embody the qualities that make them exemplary.

Our discussion won't end there. We will also reflect on how we, as Masons, can become the next generation of role models. How can we live our lives in a way that will leave a legacy of kindness, wisdom, and leadership for those who follow?

Join us as we honour the role models of our past and commit to becoming the role models of the future.

We encourage you to come prepared to share, listen, and reflect. The strength of our fellowship is a testament to the quality of our character and the depth of our bonds. Let's come together to celebrate and strengthen these ties that make us more than just members of the same fraternity, but true brothers.

Yours in brotherhood, Neil McIsaac, Junior Warden, Cornerstone Lodge #58
